

Congress of the United States
House of Representatives
Washington, DC 20515-3705

Dear Chairman Simpson and Ranking Member Pingree:

I am requesting funding for West Linn I-205 Waterline Replacement in fiscal year 2024. The entity to receive funding for this project is West Linn, Oregon, located at 22500 Salamo Rd. West Linn, OR 97068. The funding would be used to provide drinking water to the City of West Linn and its residents from the City's water treatment plant located on the opposite side of the Willamette River in Oregon City. The project is an appropriate use of taxpayer funds because it ensures West Linn residents can continue to access clean drinking water.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Congresswoman Lori Chavez-DeRemer
